Motorised guillotine shear

 # 00731352

Motorised sheet shears - JBS 1250/3,0 M

HM JBS motorised guillotine shears with motorized back gauge HM MACHINERY proudly presents the popular JBS shears in a new modern design.

The new JBS shears are developed with focus on design, quality, functionality and ergonomics.

Design: New round shape with soft corners - timeless and modern Quality: Manufactured from the best materials and components - at our production in Poland.

Functionality: RTO patented feature which automatically direct cut pieces below 400mm of length out at the front to the operator.

Ergonomics: The cut-piece falls into a tray which is placed ergonomically correct for the operator and allows the operator to keep gloves on and remove the cut-piece without having to bend all the way to the floor.

Service: New developed knife gab adjustment for easy adjustment from the front of the shear when replacing knives.

JBS shears are as standard equipped with:

• Return to operator feature • Cut counter

• Motorized back gauge fully adjustable from the front

SCANTOOL GROUP Industrivej 3-9, 9460 Brovst +45 98 23 60 88 info@scantool-group.dk

HM MACHINERY

• Mirror illumination of the cutting line by LED light

• Table extensions of 600 mm (2 pcs.)

• Squaring arm

• Rear light-guarding system

• Double eccentric drive on cutter bar

• Self-lubricating guide-ways

• Low knife angle and burr free cutting

• Rubber coated sheet hold-down

• Single or multi-cutting option for better efficiency

• Moveable foot pedal with emergency stop
