Manual folding machines - MB-700L

The MB Folder models MB 700L - 1300L are light, easy to operate, manual machines particularly suited for folding of the thin sheet metals.

The machines are offered with clamping bar: L - low 45°.

It is easy to remove the under-frame for transportation or bench mounting.

A special bench-mounting kit is offered as optional equipment.

All folding machines can now be easily convert from L - low to H - high or S - with segments with the additional tooling.
