Hand operated folder

 # 00309265

Manual folding machines - MB-1300S

The MB folders model MB 700S - 1300S are easy to operate, light, manual machines particularly suited for folding of the thin sheet metals.

The machines are offered with clamping bar: S - high segment-divided. It is easy to remove the under-frame for transportation or bench mounting.

A bench mounting kit is available as optional equipment.

All folding machines can now be easily convert from L - low to H - high or S - with segments with the additional tooling.

The MB-S models are fitted with removable segments on the clamping beam for box and pan work, or special profiles.

SCANTOOL GROUP Industrivej 3-9, 9460 Brovst +45 98 23 60 88 info@scantool-group.dk
