Cyclone extraction and filter unit

 # 710681315

Cyclones - Cyclone 100S

HM Cyclone 100S is the ideal solutions for collecting of grinding dust from machines with dust extraction or via a central dust extraction system.

Make a better, cleaner and healthier working environment and are one of the only solutions available that fulfil the CE regulations for dust collection.

Further, this solution is almost free for maintenance and no parts that will wear out.
